

Projex Pro – Licences & Insurance Summary  
Class 2 Licensed Builder | ABN | Contact Details  
Prepared for strata managers, consultants, and building professionals

Prepared April 2025

Hi,

At Projex Pro, we believe trust begins with transparency. This pack provides quick access to our current licences and insurances, so you can move forward with confidence – whether you're preparing a tender, submitting to a strata committee, or managing compliance.

This document includes:

- Current Class 2 Building Licence
- Public Liability Insurance Certificate (\$20M)
- Workers Compensation Coverage
- Relevant ABN and entity details

All documents are current and can be verified with the issuing authorities.

Please contact us if you require additional documentation for tender, committee, or compliance purposes.

This gives clarity and shows you're used to working in formal procurement.

Steve Evans, Director

Agnes Sweijer, Director

Note: As a lean, subcontractor-based business, our Workers Compensation policy reflects our current internal structure. Additional insurances are held by all engaged trades. Full compliance documentation is available upon request.

QBE

Industry classification number (WIC) <sup>2</sup>	Number of workers <sup>3</sup>	Wages/units <sup>4</sup>
411200 Residential Building Construction nec	2	\$7,501.00

- Coverage starts from the time the policy was incepted by the Employer or their Authorised Representative on the first day of cover.
- The policy covers all workers employed by the entity named on this certificate while undertaking its primary business activity or any other activities ancillary to its primary business activity as required.
- Number of workers includes contractors/deemed workers.
- Total wages/units estimated for the current period.

## Important information

Principals relying on this certificate should:

- ensure a statement under section 175B of the *Workers Compensation Act 1987 (NSW)* is attached
- ensure proper workers compensation insurance is in place
- compare the number of workers on site to the average number of workers estimated
- ensure that the wages are reasonable to cover the labour component of the work being performed
- confirm that the description of the industry/industries noted is appropriate

If the principal contractor has failed to obtain a statement or has accepted a statement where there was reason to believe it was false, they may become liable for any outstanding premium of the sub-contractor.

Did you know that an **excess, equivalent to the first week of compensable payments**, may be payable if notification of a claim is not provided to your insurer within five calendar days of when you became aware of the injury.

Yours faithfully,
